# LEAN ON ME

## THE KITCHEN SINK. YOUR SILENT HERO.

The kitchen sink is an integral part of your daily kitchen routine. It is the appliance you interact with the most and spend countless hours at every week. Between meal prep, washing dishes or watering plants, it is easy to forget just how important your sink is. The kitchen sink has become a humble, selfless companion you can rely on day in and day out, which is why it is so important to stop, take a moment, and really think about your individual lifestyle needs. Think beyond the basics of size and depth, take all the options into consideration, and optimize your sink to its full potential!

## LEAN ON TECHNOLOGY

Today's sink technologies have so much more to offer than traditional go-to stainless steel. You are no longer limited to matching your kitchen sink with stainless steel appliances. SILGRANIT uses advanced engineering to bring you a world of colour, unsurpassed durability and unique design features.

## LEAN ON FUNCTION

Whether you have a large or small kitchen, building an optimized workstation with functional accessories right inside your sink makes life in the kitchen so much easier. We want you to work smarter - not harder - with the help of ergonomic design.

## LEAN ON CONFIGURATION

Traditionally, we tend to default to an equal double bowl configuration but stopping to think about your lifestyle and daily habits can steer you in a whole new direction. You have access to so many choices: low divides, extended drainboards, large single bowls - thinking about your routine will help determine your best options.

# How to choose a sink

## 1 Determine the size of your sink cabinet

- Standard kitchen cabinets come in size increments of 3" (for example 18", 21" 24", 27", 30", 33", 36" etc.).
- Measure from gable to gable (left to right). Be sure to measure from outside edge to outside edge.
- This is the minimum cabinet size. All BLANCO sinks indicate the minimum cabinet size requirements.

## 2 Determine the depth of your countertop

Are you keeping an existing laminate countertop that has a backsplash?

For laminate or stone countertops without a backsplash.

A sink that measures up to 20 1/8" deep (front to back) should fit.

A sink that measures up to 22" deep (front to back) should fit.

When installing an undermount sink, it is important to ensure that enough space is allocated for the faucet, fixtures and other materials behind the sink. We recommend consulting your installer.

## 3 Sink material

### Stainless Steel

- Heat and stain resistant
- BLANCO stainless steel sinks come equipped with sound-absorbing pads to reduce noise

### SILGRANIT®

- Patented granite composite material
- Extremely durable: scratch, stain, heat & impact resistant
- Variety of colours
- Easy to clean

### Fireclay/Ceramic

- Ultra-smooth, polished surface
- High gloss white
- Easy to clean

## 4 Sink style

Rethink your sink with more style options! BLANCO offers farmhouse sinks, sinks with integrated drainboards, undermount and drop-ins - all with a variety of bowl configurations.

## 5 Bowl configuration and depth

Choose a bowl configuration based on how you use your kitchen and what will best suit the needs of your household.

### Single Bowl

### Offset Double Bowl

### Equal Double Bowl

### Low Divide Double Bowl

## 6 Installation methods

### Undermount

Sink is installed under the counter. Beautiful option for quartz, granite and marble countertops. Undermount sink installation reveals:

Countertop edge sits back from the edge of the sink, exposing the sink rim, typical 1/8".

Countertop meets the edge of the sink, fitting flush.

Countertop extends over the edge of the sink.

### Drop-in

Sink is installed from above. Great for any countertop type, especially laminate countertops.

### Farmhouse sinks

Most farmhouse sinks have a customized undermount installation, however please refer to individual product instructions for more details.

# SILGRANIT® Sinks

Sink: IKON® 33, Concrete Gray | Faucet: SOLENTA™ SENSO, Stainless Finish

## BLANCO SILGRANIT® Colour Palette.

Discover the beauty.

White

Metallic Gray

Cinder

Anthracite

Biscuit

Truffle

Café

Concrete Gray

**Introducing the latest addition to the SILGRANIT colour palette: Concrete Gray.** This engineered colour combines the highly sought-after raw look and beauty of concrete with the functionality, feel and performance of our patented SILGRANIT material.

## Beauty, Strength, Durability.

The legacy continues.

Spirited innovation over the last three decades has led to the revolutionary material we know today as SILGRANIT. All BLANCO SILGRANIT sinks come with a Limited Lifetime Warranty.

Made in Canada  
Engineered in Germany  
Manufacturing facility in Toronto,  
Ontario.

### Easy to clean

Simple cleaning materials, like baking soda and a sponge, are all you need. No harsh chemicals required.

### Scratch resistant

Granite composite is extremely strong and will not scratch. Simply wipe off any marks from forks or knives.

### Heat resistant

Can withstand up to 280°C (536°F) exceeding common boiling, baking or broiling temperatures.

### Impact resistant

Extremely durable and will not crack or break if heavy pots or small heavy items (like soup cans) are dropped into the sink.

### Anti-bacterial

Repellent surface features our patented Hygienic+Plus protection formula reducing bacteria growth by up to 98%.

### Acid and stain resistant

Non-porous surface repels liquids and does not absorb bacteria or odours.

### Beauty and design

BLANCO offers over 40 different SILGRANIT sink models in 8 different colours – a total of over 300 products.

### Natural smooth surface

A patented material made of (up to 80%) natural granite with a smooth look and feel.

### Non-fading

Coloured all the way through and will not fade due to wear and tear or exposure to direct sunlight.

# METRA™

Clean lines. Modern functionality.

Strainer(s), drop-in clips and installation instructions included

## METRA™ 8 S

## Art meets technology.

The ultimate expression of art and technology. Artisanal techniques, advanced engineering and state-of-the-art technology. Combine these elements with premium construction and surgical grade stainless steel, and a masterpiece emerges.

In small, exclusive production runs, each STEELART sink is superbly crafted with precision from a single panel of premium quality 304 series, 18-gauge stainless steel with 18/10 chrome-nickel content. All BLANCO STEELART sinks come with a Limited Lifetime Warranty.

## STEELART® Sinks

Sink: RADIUS™ 10 U SUPER SINGLE, Stainless Steel | Faucet: BLANCO CULINA™, Classic Steel | Accessory: TORRE™ Soap Dispenser, Classic Steel

### Zero-radius corners

PRECISION undermount sinks feature zero radius corners and angular bowl geometry.

### 10 mm radius Corners

Pioneered by BLANCO, RADIUS 10 sinks feature elegant slightly rounded 10 mm corners that are smooth to the touch.

### 'X' Pattern

Our 'X' pattern drain groove helps remove water quickly from the sink.

### Durinox® Surface

Twice as hard as traditional stainless steel, extremely resistant to scratches and has a velvety-matte look. Durinox® sink on p.44.

### Satin Polish Finish

Our luxurious, satin polish finish. This results in a highly reflective, beautiful shine.

# Farmhouse Sinks

Sink: IKON® 27, Concrete Gray | Faucet: RIVANA™ SEMI-PRO, Stainless Finish **NEW**

## Farmhouse Sinks

Excelling in style. Excelling in choices.

Enjoy that timeless farmhouse charm - without the farm. From farmhouse-inspired majestic kitchens to urban condos, BLANCO shows a true commitment to apron front sink design.

BLANCO offers the popular farmhouse sink style in 3 robust materials and over 10 different models. All BLANCO sinks come with a Limited Lifetime Warranty.

### SILGRANIT®

Strength, durability and beauty - the legacy continues with the first apron front of its kind, made from our patented granite composite material.

### Stainless Steel

As a world leading manufacturer of stainless steel products, our QUATRUS R15 apron front collection combines the traditional farmhouse style with contemporary details.

### STEELART®

Individual masterpieces crafted with precision in Germany, in small production runs. Using a single panel of premium stainless steel, BLANCO artisans transform steel into exceptional products.

### Fireclay

Old world elegance meets sophisticated design. The creation process includes handfinishing techniques and high firing temperatures resulting in a smooth, glossy, durable surface.

# Universally Accessible Sinks

Sink: PRECIS™ SINGLE 25 ADA / CSA, Anthracite | Faucet: ARTONA®, Stainless Finish / Anthracite

## Universally accessible sinks

### Greater accessibility by design.

#### Accessible design

With proper countertop and cabinet construction, a shallow sink with a rear-positioned drain helps provide sufficient knee clearance when used from a seated position.

#### Material options

Both Stainless Steel and SILGRANIT sink models are available - SILGRANIT is an extremely durable, granite composite material that is exceptionally easy to clean.

#### Installation versatility

BLANCO ADA / CSA compliant sink models are available in both undermount and drop-in varieties.

#### Easy to use faucets

BLANCO has an assortment of single lever and automatically activated faucets – providing easy control of water temperature, flow and direction.

### PRECIS™ SINGLE 25 ADA / CSA

- 402073 Anthracite
- 402074 Cinder
- 402075 Metallic Gray
- 402269 Concrete Gray

**Dual-mount\*\***  
**Min Cabinet Size\***  
27" (685 mm)  
**Bowl Depth**  
5" (127 mm)

Note: 2 additional knock-out holes for accessories

\*\* Sink can be installed as a drop-in or undermount

### QUATRUS® U 1 MEDIUM ADA / CSA

402149

**Undermount**  
**Min Cabinet Size\***  
27" (685 mm)  
**Bowl Depth**  
5 1/2" (140 mm)

ADA / CSA B651 compliant

Check your local code requirements to ensure compliance

\* Depending on cabinet construction, a different cabinet size may be required. Consult the cabinet manufacturer.

**Bowl Depth**  
12" (305 mm)

\* Depending on cabinet construction, a different cabinet size may be required. Consult the cabinet manufacturer.

# Faucets and Soap Dispensers

Faucet: BLANCO CULINA™, Classic Steel

## How to choose a faucet

### 1 Style

Determine what style will fit the design of your kitchen. From modern semi-professional to traditional bridge faucets – understanding your style preference will help you pick a faucet you will love.

### 2 Faucet height

Ensure there is enough clearance for upper cabinetry by knowing the height of the faucet you're interested in. High arc faucets are usually more suited for island installations, or in front of a window.

### 3 Faucet reach

Make sure you check how far the spout reaches out from the faucet's base to ensure it's proportionate to the size of your sink.

### 4 Features

Look for features like pull-out or pull-down sprays, side sprays, professional hose coils and magnetic docking arms. These features add a lot of value to everyday kitchen tasks.

### 5 Finish

Chrome, stainless steel, classic steel, matte black or dual finish options can make a huge impact on the overall look and design of your kitchen.

Faucet styles.

With over 100 shapes, sizes and colours to choose from, many BLANCO faucet families include bar / prep varieties, beverage faucets and soap dispensers. All BLANCO faucets come with a Limited Lifetime Warranty.

Semi-professional

Inspired by faucets in professional, commercial kitchens with special details such as pressure sprayers and magnetic docking arms.

Colour-coordinated

Designed to coordinate beautifully with a spectrum of SILGRANIT® sink colours.

Contemporary

Modern, minimalistic design with sleek, streamlined features.

Classic

Traditional design elements with modern performance and function.

Finish options.

In addition to a variety of full metal faucet finishes, BLANCO exclusively offers colour-coordinated finishes in three varieties: Full Finish, Dual Finish, with Chrome, or Dual Finish with Stainless Steel.

Colour-coordinated

Full finish

	Anthracite		Metallic Gray		Biscuit
	Café		Truffle		White
	Cinder				

Dual finish

Chrome / SILGRANIT®

	Chrome / Anthracite		Chrome / Metallic Gray		Chrome / Biscuit
	Chrome / Café		Chrome / Truffle		Chrome / White
	Chrome / Cinder				

Dual finish

Stainless Finish / SILGRANIT®

	Stainless Finish / Anthracite		Stainless Finish / Metallic Gray		Stainless Finish / Biscuit
	Stainless Finish / Café		Stainless Finish / Truffle		Stainless Finish / White
	Stainless Finish / Cinder				

Full metal

	<b>Chrome (Ch)</b> Highly reflective, smooth finish with a brilliant, mirror-like shine.		<b>Classic Steel (CS)</b> Deep, rich brushed finish with a warm undertone.
	<b>Stainless Finish (SF)</b> Slightly softer brushed finish with a cool undertone.		<b>Stainless Steel</b> (Exclusive to PANERA™ faucet) Gently brushed raw steel with a matte finish.

## BLANCO Faucets

### Premium Quality

BLANCO faucets are made of solid brass and solid stainless steel construction, and include ceramic cartridges that are smooth in operation and pressure resistant.

### Easy Installation

All BLANCO faucets are equipped with colour-coded, flexible braided stainless steel inlet hoses for easy installation.

### Convenience

Many faucets include our patented silicone nozzles – you can rub the nozzles with your fingertip to prevent buildup from lime scale deposits.

### Function

Pull-out sprayheads with dual spray patterns, magnetic handspray holders and sensor technology (on select models) provide the ultimate convenience in the kitchen.

### Award-winning design

Note: All BLANCO faucets require the same size, 1 3/8" diameter drilled faucet hole. All faucet parts that are required for installation are included in the faucet packaging.

## Semi-professional faucets

Faucet: BLANCO CULINATM, Classic Steel

### Features

- Insulated handspray with dual selectable spray patterns
- Flexible spring / rubber hose allows easy range of motion
- Colour-coded hot & cold supply lines
- Flexible supply lines & 3/8" compression nut for easy installation
- Solid brass construction
- Ceramic disc cartridge

Warranty

Limited Lifetime Warranty:  
Stainless Steel and SILGRANIT® Sinks

BLANCO CANADA INC. hereafter referred to as BLANCO, is pleased to offer a Limited Lifetime Warranty with all BLANCO sinks used in normal domestic installations. BLANCO warrants its sinks to be free from all manufacturing defects in material and workmanship.

BLANCO will repair or replace, at no charge, excluding labour, any sink supplied by BLANCO that is proven to be defective under normal use. An equivalent replacement will be issued to the original owner provided the defective sink was installed in accordance with BLANCO installation procedures, used and cleaned as recommended and not damaged due to abuse, misuse or negligence. Chips, scratches and stains are not deemed to be manufacturing defects. BLANCO will not be held liable for chips, scratches and stains that can occur under normal use over a period of time. Please refer to cleaning instructions to maintain your sink in its original appearance. BLANCO shall not be held liable under this warranty where the sink has been used in a non-domestic application, improperly installed, or damaged from the impact caused by a heavy object being dropped on the sink or from improper handling. BLANCO shall not be liable for any inconvenience or expense for material or labour related to the removal or replacement of a defective sink or for any loss or damage to any person or property whatsoever resulting from the defective sink. All transportation costs to and from the point of purchase will be the responsibility of the purchaser.

**Any sink returned must be in the original packaging and include all the accompanying accessories, parts and documentation. BLANCO reserves the right to inspect any sink reported to be defective prior to replacement of the sink.**

WARRANTY EXCLUSIONS

Excluded are any accessories that accompany the sink (strainers, waste fittings, waste chutes etc.).

Accessories and Soap Dispensers

BLANCO warrants its accessories and soap dispensers to be free from manufacturing defects for a period of one (1) year from the date of purchase.

Limited Lifetime Warranty: Faucets

All faucets are thoroughly checked and tested in the factory. However, if the faucet has a manufacturing defect, BLANCO reserves the right to replace the damaged part or the entire faucet.

BLANCO warrants its faucets to be free from manufacturing defects in material and workmanship; and the finish and ceramic disk cartridge to be free from manufacturing defects and workmanship, to the original consumer purchaser of the faucet from the original date of purchase for as long as the original consumer purchaser owns their home. If the cartridge proves to be defective during the warranty period, BLANCO will provide a replacement free of charge.

**Finish and ceramic disk cartridge  
(\*Lifetime to original consumer purchaser)**

**LIFETIME\***

**Mechanical components, hand spray and hoses  
(\*Lifetime to original consumer purchaser)**

**LIFETIME\***

A new enhanced warranty program for faucets took effect April 15, 2010. (This is not retroactive to previously purchased faucets). It extends the previous 2-year limited period for mechanical components, hand spray and hoses to a Limited Lifetime Warranty period. (As before, the finish and ceramic disc cartridge have limited lifetime warranties).

This warranty does not cover faucets which have been improperly installed or subject to improper use or used in a location other than a residential kitchen or faucets which have been damaged due to mineral deposits or the use of corrosive or abrasive cleaning agents. This warranty does not cover shipping costs, labour costs or any other cost associated with the installation or replacement of the product/parts and is extended only to the original consumer purchaser of the faucet.

BLANCO is not responsible or liable for indirect, special or consequential damages arising out of or in connection with the use or performance of its faucets and its liability under this warranty is limited to the replacement of the defective material at the location of purchase.

Obligation of the original owner

The original dated sales receipt must be retained by the customer and is the only acceptable proof of purchase.

BLANCO makes no additional warranties, expressed or implied and any implied warranty including that of merchantability or fitness for a particular purpose, is limited in its duration to the duration of the written limited warranties set forth herein.

No employee, agent or other person is authorized to provide any warranty on behalf of BLANCO for a BLANCO product that is in addition to or different from the warranty stated above unless the warranty has been previously approved by an authorized BLANCO representative.

This warranty gives you specific legal rights and you may also have other rights which may vary from province to province.
